

Spreading Love to the Pilgrims

Remember when you were a pilgrim and every time you went to your sleep room there was a little something on your bed, or something at your place at the table when you'd go into the talk room? How about receiving letters from so many of God's saints? Did it amaze you at all the love you received from total strangers on your Walk? Well, all that agape didn't just appear. Members of our community gave of themselves and wrote letters to the pilgrims or made small gifts to go in the agape bags or be put on the pilgrims' beds. So, now it's your turn.

If you were blessed by the agape you received, pass on that same love to a new pilgrim. While creative arts and crafts are nice, remember a note expressing God's love to someone is just as effective. Personalized hand-written notes are especially nice.

If you have any questions, contact Scott Hunter for the Men's Walk and Shannon Ham for the Women's Walk. If you are sponsoring a pilgrim and would like to give them a gift, please hold those until Sunday of the Walk. Please drop your agape off for the Men's Walk no later than Friday, August 5, for the men, and Friday, August 12, for the women. Separate letters for the pilgrims from letters for the team and please alphabetize the letters to make it easier for our agape chairs.

And remember, the best agape you can give the pilgrims are your prayers!

 Marian Lydick
